

Welcome to Kiddiwinkles

What are we?

Kiddiwinkles is a purpose built 2 year old provision situated within Grangetown Primary School. We currently offer funded places only and cater for 12 children. Your child's funded 15 hours are made up of 5 morning sessions Monday- Friday (8.45am- 11.45am) term time only.

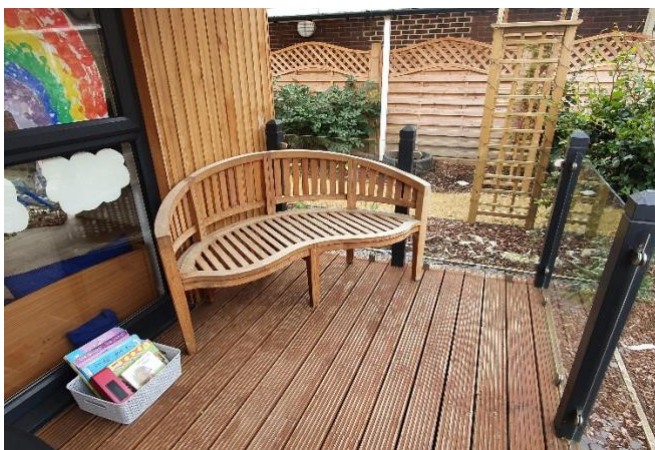

What do we offer?

During your child's time in Kiddiwinkles they will have the opportunity to explore both the indoor and outdoor environment and participate in all the exciting and interesting activities on offer daily. We strive to develop a child's self-confidence and their ability to become independent in self-care, preparing them for their journey through school life. We have strong links with nursery making transition into nursery smoother when it's time for the children to move on.

Our indoor area is well equipped to support your child in all areas of learning. Here are some photographs of our wonderful indoor space.

We have our own enclosed outdoor area where the children have lots of fun exploring in the sand pit, making mud pies in the mud kitchen and discovering the wonders of the water wall. We spend a lot of time outside and go out in all weathers.
