HELPFUL TIPS TO PROTECT CHILDREN!

Safeguarding Children and Young People is a sensitive and difficult area and requires a Working-Together ethos.

Good lines of communication **MUST** be shared with the Safeguarding Team as soon as possible.

It is important that the child's voice is heard and recorded.

A child may choose to share child protection concerns with you.

You should listen to the young person at an appropriate time; try to record word for word what they have disclosed.

Please be factual and remember to state:

- The name of the child.
- The date and time of disclosure.
- Details of the disclosure.
- The authors name, signature and date.
- Remember your statement could be used as evidence.

If a child discloses a child protection concern with you, DO NOT QUESTION FURTHER OR INVESTIGATE.

Please inform a member of the Safeguarding Team immediately.
