

Grangetown Primary Sports Premium Funding Statement

2022 - 23

What is the Sports Premium?

The government is providing funding of £150 million per annum to provide new and substantial primary school sport funding. The funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school Head teachers to spend on improving the quality of sport and PE for all their children.

Purpose of the funding

All schools have to spend the sport funding on improving their provision of PE and sport, but there is freedom to choose how we do it. At Grangetown Primary School we recognise the contribution of PE to the health and well-being of the children. In addition, we believe that an innovative and varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all children.
